Dots in the sections above are a guide to briefing impact

This briefing invites customers to tell us what you think of our enhanced online product roadmaps in a short survey.

In briefing 004-11 issued on 3rd March 2011 we told you about improvements we have made to our online product roadmaps.

We would now like to invite customers to give feedback on the usefulness and performance of our online roadmaps, so please take a little time to complete the short survey which will let us know what you think and guide us in planning future developments.

To access the survey please [click here](#).
